EXPERIENCE

Sutter Medical Center, Sacramento — *Medical Scribe*

January 2022 - November 2022

- Utilized the hospital's Emergency Medical Records (EMR) system to create and fill patient charts with medical history, present illness, symptoms, physical exam, and tests ordered
- Enhanced physicians' efficiency by managing updates, consultations, admission statuses, and medication records on patients' profiles, enabling them to dedicate more time to direct patient care.

Practice of Dr. Gloria Wu, M.D., San Jose — *Medical Assistant*

May 2021 - August 2021

- Took blood pressure and temperature assessments for patients, maintaining up-to-date vital records in the electronic medical records (EMR) system
- Administered dilation drops to patients and aided medical assistants with various tests (vision, color blindness, retinal camera, autorefractor, VR, etc.)

EDUCATION

Northeastern University, San Francisco — *Master of Science in Computer Science*

January 2023 - PRESENT

California Northstate University (CNU), Rancho Cordova — *Bachelor of Science in Health Sciences (Summa Cum Laude)*

August 2019 - December 2022

PROJECTS

Medical Diagnosis Tool – 2023

- Developed a Python-based diagnostic tool enabling patients to self-assess basic medical conditions from home by answering questions regarding the location and type of pain they are experiencing

I Am Diabetic: Can I Speak to Virtual Assistants in Different Languages? – 2021

- Presented an abstract to the Diabetes Technology Society (DTS), evaluating virtual assistants' effectiveness in addressing prevalent healthcare issues linked to diabetes
- Investigated the precision and utility of responses in multiple languages, including Spanish, Chinese, and Hindi, to assess the suitability of these devices for non-English speakers
- Successfully gained approval for the abstract, showcasing a poster at the 2022 DTS conference, highlighting the significance of the research in the healthcare tech field

SKILLS AND CERTIFICATIONS

Python

Java

C

CITI (Research, Ethics, and Compliance Training)

AWARDS

Dean's Award Recipient
(2019–2020)
